(THE LOGIC BEHIND EXECUTION OF ORDINANCES)

CONFERRED TO GLOBAL CIVILISATION FOR THE GREATEST BENEFIT TO HUMANKIND

MY LIFETIME REALISATION

We are living in a world of irrefutable logic created by natural intellect, called beneficially the greatest contribution of psycho-evolution.

Religion spoils logic, politics spoils prudence and together they often spoil humanity, honesty and peace as an impact of habitual bias.

They who accomplished the eternal wisdom will left in their life an **axiomatic tenet** by the way of their axiomatic quotient **as a gist**.

One who devote oneself to the eternal wisdom of time dimension or accomplished the eternal wisdom of time dimension cannot believe in **nuclear weapons**.

Law is the irrefutable resolution between logic of intelligence and illogicality of guile in determination of justice against **guilt** as an impact of psycho-evolution.

Justice is the consequential action of law.

All's good while logically ends well.
